WINDOW PAINTING 6/6

WINDOW PAINTING - 6/6 STYLE . All painting works are subject to weather conditions and as such may not be undertaken immediately after installation of your windows. All painting works will be invoiced at a later date separately from joinery works which will be invoiced on completion of installation of windows. Please note: Gloss paint takes 7 days to dry. Sashes should be moved daily during this period to avoid them sticking. Please note painting quotes are for standard paint colours only. Please also note, if you would like a different finish from what is currently there i.e varnish instead of paint, please ensure this is specified when confirming the works.

Interior: White Eggshell

Exterior: White Gloss

If you wish colours out with the standard - i.e. Farrow and ball - please supply your own products for our painters.
